REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

“Excellence for Every Child Every Day” describes the atmosphere at Hickory Tavern Elementary School. Our students, parents, and teachers are united in “Sailing Beyond Excellence.” The guiding light is our vision which states we will be a school of excellence and equity in educational practices for each learner.

Hickory Tavern Elementary School is a Title I school located in a rural community and proudly serves 442 students in grades 4K to five. Approximately 87% of students are Caucasian and 13% of the student body includes African-American, Hispanic, and other ethnic classifications. The percentage of students receiving federally subsidized meals has increased over the past several years to 57%. Our school offers Creative Curriculum and Montessori classes to allow parents the choice for choosing the child’s academic track. Students’ individual needs are addressed through Academy Time and Response to Intervention initiatives. The academically gifted and talented program serves 16% of the students. Students in grades three through five have the opportunity to attend a community sponsored program, Released Time, for religious instruction.

For the second consecutive year, Hickory Tavern Elementary School was recognized for Closing the Achievement Gap for historically underperforming students. In addition, we achieved Adequate Yearly Progress in all required descriptors. Also, our school earned the Palmetto Gold distinction which is the highest academic honor recognized by the State Department of Education. Our students’ PASS scores surpassed the district and state performance expectations, and our MAP scores continue to show marked growth.

Our continued goal is to ensure that each child is prepared academically, socially, and emotionally for the 21st century. Hickory Tavern Elementary School’s strategic plan continues to develop and document the changes and progress our school is making as we work to continuously improve. This plan provides our staff with an ongoing means for self-assessment, communication, continuous improvement and accountability. Our school and district were successful in meeting the requirements established by the AdvancED Accreditation Commission and Board to be accredited by the Southern Association of Colleges and Schools Council on Accreditation and School Improvement.

The PTO and our Volunteer Program have increased parental and community involvement in school activities which has enhanced school climate. Hickory Tavern Elementary School strives to maintain a rigorous learning environment where students, teachers, parents, and the community work together to share ownership for learning to produce successful lifelong learners and productive citizens.
